

Using your Lexile score to

FIND A BOOK

FIRST, CHECK WITH YOUR TEACHER TO GET YOUR LEXILE SCORE

Navigate to the Lexile Book Finder by clicking the link below or by going to <https://hub.lexile.com/find-a-book/search>

BOOK SEARCH

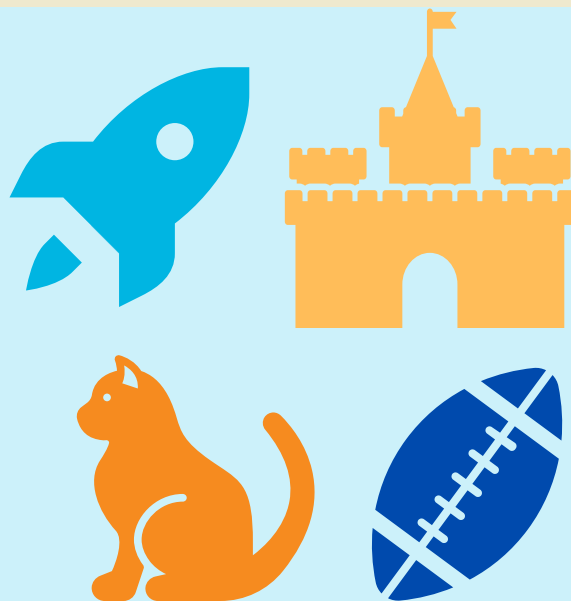

LEXILE

Type your Lexile level (i.e. 650) into the bar in the middle of the page under the heading "Search by Measure"

GENRES

Select the genres that interest you at the bottom of the page under the heading that says "Search by Interest"

SEARCH

Click the green search button at the bottom right to look for books. Write down the title and author of books that interest you so you can search in the library for them!

REMEMBER THE FIVE FINGER RULE!

Open your book to any page. Hold up one finger for each word that you do not understand. If you have all five fingers up by the end of the page, then the book will be too difficult. Save it for later!
